Scorzafava said “I am proud to lend my name to the Radical Bear Hunter design in the Schrade/Old Timer knife line up. Schrade has been an icon in the knife industry since 1904. Their uncompromised quality and exceptional value that is built into every product is unsurpassed.” Schrade, Old Timer and Uncle Henry President Stewart Taylor said “We are pleased to welcome Dick Scorzafava into the Schrade, Old Timer, and Uncle Henry family. His reputation as an outdoor writer and “radical bear hunter” is unequaled.”

The idea for the Radical Bear Hunter came about due to Scorzafava’s frustration with other knives on the market. “Many had good features, but none combined them into the ideal all-in-one knife, until now.”

Each knife comes with a coupon for a free one year subscription to Bear Hunting Magazine. The Radical Bear Hunter knife can be purchased at your local Schrade, Old Timer and Uncle Henry dealer.
