## SPRINGFIELD SPORTSMEN'S SHOW

February 18 to 21, 2010

at the "BIG E," Eastern States Exposition, West Springfield, MA.

The 27th annual Springfield Sportsmen's Show will be Feb. 18 to 21 at the "Big E," the Eastern States Exposition, West Springfield, MA. As the largest 'pure' hunting and fishing show in the Northeast it covers more than a half million square feet of booths, exhibits, seminars and action areas. Show goers can preview the show at: [www.osegshows.com](http://www.osegshows.com)

This show covers all an outdoorsman could dream of for fishing and hunting gear, outfitters, and charterboats, with the region's largest fishing boat selection.

An OSEG exclusive is the Gamefish Center, a giant traveling aquarium stocked with a great selection of trout and salmon provided by the State of Massachusetts and free fishing on the 'new' large-screen sportfishing simulator.

Among the many features are: the 'Training Field' where working dogs under Jennifer Broome of Quinnebog Kennels will perform, two Trout Ponds stocked daily for fishing, and a Casting Pool where spin, fly and bait casting experts will perform, teach and lecture.

Top buck hunting expert Dick Scorzafava, will once again be giving away thousands of dollars of hunting equipment from dozens of manufacturers during his insightful and practical deer hunting seminars.

Some of the larger prizes he will give away at his seminars are a Scent Loc suit, Cuddyback digital scouting camera, plenty of Schrade Knives, Hooyman saws, Alpen binoculars and scope, Black Gold bow sites, Ripcord arrow rests, Tight Spot bow quiver, Rage Broadheads, Block Targets, Kenetrek Boots, Wildlife Research Center products, Gamehide suit, Weber Products and much, much more!

Most importantly, you can expect Dick to 'give away' information that has led to his fantastic success with tips on calls, scents, rattling, tracking, still hunting and stand hunting. All this important hunting information along with the giveaway products will help whitetail hunters get the "biggest buck of their lives."

This year there will be a huge assortment of fishing boats, more than any sport show in the Northeast. This is 'bargain central' for the public's best buys of the season! There's bass boats, pontoons and seagoing craft for fishermen's enjoyment at big savings.

The Northeast Big Buck Club will be holding the "Northeast Big Buck Classic" where submitted racks are eligible for awards, prizes and drawings on Sunday. Bring your deer mount and become part of the largest organized deer rack/mount display in the entire Northeastern United States! New record breakers are discovered every year!

The Northeast Indoor 3-D Championship, IBO World Qualifier is back again this season. With 30 new XT Series targets provided by McKenzie Targets, this will make this a great shoot for every level of archer. The shoot is being held in The Stroh Building. Registration can be made at the shoot or to insure your spot, forms can be found at: [www.osegshows.com](http://www.osegshows.com)

Returning with new birds of prey and a new act is everyone's favorite wildlife 'wildman' Bwana Jim. Jim's comedy and wonderful fun facts will bring a laugh to your learning about animals, birds and reptiles.

The sheer size of the Springfield Sportsmen's Show insures the greatest cross section of equipment, seminars, outfitters and guides, at the most competitive prices.

Smith & Wesson firearms will hold a raffle to benefit the Cancer House of Hope. The prize this year will be an Elite Gold side-by-side 3in. chambered 20 ga. shotgun. The sign-up is at the Smith & Wesson display. While you're there, check out the whole line up of their ever expanding line of handguns, military/police, Thompson Center black powder guns and shotguns.

We are proud to introduce a few 'new' products for the 2010 show. The very newest is Al Gag's

Also on the 'New to the Show' list is Twin-Troller electric trolling fishing boat. This electric boat has hands-free maneuverability with embedded twin motor design that is embedded in the two hulls and controlled by the angler's feet. Innovative to say the least!

Capt. Doug Jowett presents seminars on salt water fly fishing and fly tying, covering the entire Northeast. Dave Pickering will help saltwater fishermen with striper fishing on light tackle from all New England shores. This great line up is a real "Salt Slammer"!

Lynn Smith of C-Devil Sportfishing and Lil'Devil Sportfishing is returning this year with her fly fishing seminars. She has been guiding since 1993 and received her US Coast Guard captains license in 1999. When she's not fishing and guiding she's either instructing fly-casting or speaking at seminars. Lynn is a pro staffer of Triton Boats and St. Croix Rods.

Turkey calling pros Joe Judd of Quaker Boy, along with Steve Peperis of Primos, will return to talk about turkey calling and hunting of wild springtime gobblers. Their tips and techniques will help hunters tumble their toms spring and fall.

Joe Judd has been a hunting pro for the Quakerboy Game Call company for over 23 years. He's a top turkey hunter in the Pioneer Valley, with a great reputation for his informative seminars, his TV program "On The Ridge" and for tumbling big toms!

Turkey callers throughout the Northeast will have a chance to 'strut their stuff' on Saturday at 1 P.M. at the Massachusetts Turkey Calling Championship. Sign up at the NWTF booth.
